Promoting Walkability Throughout New England

Eric Papetti, Region I, FTA
Promoting Walking Through Safety Assessments & Mayors’ Challenge
Research – Setting the Table for Change

Upcoming in 2016: FTA Research on Connectivity & better methods for looking at Title VI gaps
Policy

- Bike-Ped Access to Transit within Catchment Area
  - De-facto, functional relationship to transit
  - Eligible project expense
Local Implementation – How?

Both are 20mph zones, but only one of them is designed like it.
