  - The number of racks desired

Studies show that bicycle infrastructure investment increased the attractiveness of streets, pedestrian safety, the numbers of customers who ride bikes, the number of residents who shop locally and employee convenience.

Let's encourage bicycling and active living in daily activities!

Si necesita ayuda o desea que se envíe una solicitud en su nombre, comuníquese con el equipo del San Diego Promise Zone a través de [Promisezone@sandiego.gov](mailto:Promisezone@sandiego.gov) ¡Hablamos español!

- La siguiente información es necesaria para enviar una solicitud:
- El nombre del negocio
  - Dirección del negocio
  - Número de teléfono
  - El número de estantes deseados

Estudios muestran que la inversión en infraestructura para bicicletas aumenta el atractivo de las calles, la seguridad de los peatones, la cantidad de clientes que andan en bicicleta, la cantidad de residentes que compran localmente y la conveniencia de los empleados.

¡Fomentemos el ciclismo y la vida activa en las actividades diarias!
